

Topic

Using household materials, build one of London's landmarks! It can be as detailed as you like!

DT

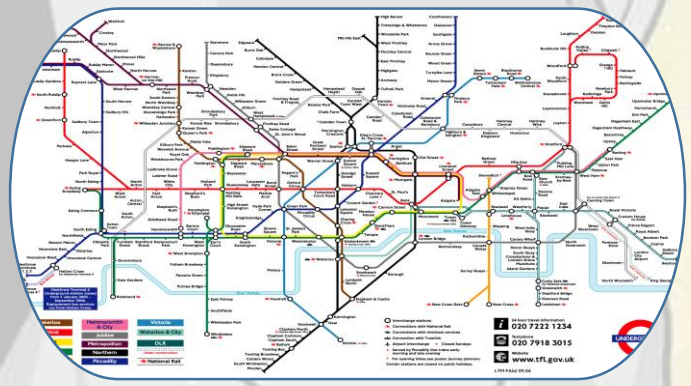
Design your own underground map for Preston City Centre! All of Preston's famous landmarks must be on your brand new system!

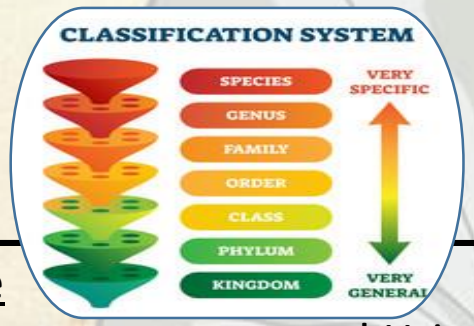
English (i)

Think of your very own detective. Create a comic strip where your super sleuth solves an important mystery!

Geography

Using the eight points of the compass, and knowledge of the counties of England, plan a journey to a destination of your choice (from school) and note down the counties that you will pass through. Add a famous landmark from each county.





Science

Create your own creature! Using a classification system, classify your creature to see which animal kingdom it falls into!

Art

Using a media of your choice, recreate artwork of the London skyline – use the one below as inspiration!
