

Broughton Bulletin – Issue Number 26

5th April 2019

He is not here; he has risen! Luke 24:6

Thank you

As we come to the end of another term, I would just like to thank the whole school community for their continued support. It has been another very successful term with many sporting achievements, superb learning and a wide range of exciting trips and activities for the children to take part in. The service this morning in church was particularly wonderful and it was a real joy listening to the children act, sing and perform. The joint service with Our Lady's yesterday was a delightful coming together of our two schools and the Easter Bingo was a very popular event.

Broughton CE Primary School really is a very special place and that is only achieved through us all working together in the best interests of the children. Thank you all and I wish you all a fantastic holiday with much Easter fun.

Mrs Singleton

Easter Activities – Egg Decorating

The children had lots of fun decorating their eggs yesterday. They all did a fantastic job and we hope that many of you had the opportunity to look at them in the New Hall this morning!

There was no overall prize winner this year. EVERYONE'S A WINNER!

Sports Day – change of timing

Please note that there will be a change to the timing of Sports Day this year. The event will now begin at 9.15am and will finish by 11.30am. There are a couple of reasons for this change. We were very conscious last year that it was very hot on the afternoon (we are hopeful that we may see some hot weather again this year) and the morning should hopefully be cooler. We always end up being very tight for time at the end of the day and on a number of occasions not all the races have been run. In addition to this, the choir will be competing on 21st June at Last Choir Singing and we would not want the children involved to miss out on Sports Day.

ParentApps

As many of you will be aware, we have recently launched a brand-new app from ParentApps that will greatly improve the way we communicate with our parents – thank you so much to all those who have already started using it.

All invitations have now been sent out and we would be grateful, if you have not already done so, if you could download and start using the app as soon as possible.

From May half term this will become our only form of communication.

If you have any questions, please contact Helen Whall in the school office,
whallh@broughtonprimary.co.uk

School Meals

The dinner menu choice for the week commencing Tuesday 23rd April 2019 is week 2. Please remember to discuss the menu with your child so that they are aware of the choice you would like them to make.
