Dear Parents

We are so proud of our Year 6 pupils who have given 3 memorable performances of 'The Rocky Monster Show'. All the children excelled themselves! Thank you to all parents, friends, staff and the children of Year 6 for making this show a huge success - it was a wonderful example of teamwork.

**Broughton Youth Club:** To all Year 6 parents/ carers - if you would like your child to join Broughton Youth Club (which will start when your child is in Year 7), please complete your application form and return it to Jane Atkinson or Wendy Bennett. If you have lost the form, please contact Jane on telephone number 01772 462049 or Wendy on 01772 860965. Thank you.

**School Clubs:** All after school clubs have now finished. However, there will be a catch-up lesson for Vigor-boarding next Thursday after school.

**School Meal Payments:** Please ensure that any outstanding payments are sent to school next Monday. Thank you.

**Broughton Chronicle:** This is currently on sale at 50p per copy. It is full of interesting articles and is definitely worth a read!!

**Message from Mrs Clow:** A big THANK YOU for all the help, support and encouragement received. Special thanks to four special ladies, Jane Atkinson, Jane Burnie, Sara Cottam and Julie Cressey, who have been invaluable not just now, but for years. You will be missed!

**Lost property:** Mr & Mrs Jones will put all lost property items on a table at the front of school on Monday and Tuesday next week (weather permitting). Any items not claimed will be recycled.

**Online Safety:** Do your children use Facebook? You may have seen in the press recently, Facebook and the CEOP Centre have joined forces to make young people safer online by launching the new 'ClickCEOP' application. As from this week, all young users of Facebook - and their parents - are invited to add the new ClickCEOP 'app' to their profile. Through this app, they will be able to access advice, help and support from the CEOP Centre. Crucially, young people will be able to report instances of suspected grooming or inappropriate behaviour directly from their profile to specially trained investigators. This 'app' is the outcome of collaboration between CEOP and Facebook who have combined Facebook's expertise in connecting and communicating online with CEOP's expertise in helping young people stay safe.

Once added to their profiles, young users will receive regular messages from CEOP and its partner organisations who operate 'behind the button' to make children safer. CEOP's new Facebook page ([www.facebook.com/ClickCEOP](http://www.facebook.com/ClickCEOP)) will also contain polls, news alerts and status updates.

As from September 2010 Mr. Procter will be including Social Networking in more detail (using Facebook as an example) as part of online safety. This work is carried out with all KS2 classes at the beginning of the academic year, but until now we have not been able to access Social Networking sites due to Internet Filtering by LCC. Following recent changes we are now able to temporarily allow certain sites for demonstration and class work. Please be assured that Social Networking sites will not be available at school normally.

**School Uniform:** The website is now live and can be accessed at <http://www.yourschooluniform.com>. Weather permitting I shall bring samples of the cardigans and jumpers out before and after school next week. You can "try them on" for size. Please remember that although we are introducing them **from** September, we are having a "transition" period and don't expect all children to have them until September 2011. There is help available for anyone experiencing financial difficulty - please speak to me in confidence.

**Years 1 - 5:** Your child will today bring home their assessed writing book. Once you have looked at it, keeping any Abacus maths assessments at home, please return it to school on Monday. Thank you.
