Spring 2, Ancient Egypt Homework

Dear children, parents and carers,
Here are the topic homework choices for this half term. Please complete **at least two to a high standard** and bring them to school by the last week of half term. Children are also expected to complete weekly Maths.com, Spag.co.uk and TTRS, and read every day. This should be recorded with an adult signature in reading diaries. Pupils should also continue to learn spellings which can be found on the class webpage.
Many thanks,
Ms Lowe and Mrs Watson

History and Geography
Explore the maps on this website https://www.worldhistory.org/map/. Write a summary of your observations, inferences and questions, about how the kingdoms and civilisations change over time.

History
Learn about mummification, and mummify an orange! https://www.heritagedoncaster.org.uk/wp-content/uploads/2020/05/Week-5-Mummify-An-Orange.pdf

Maths
Create a bar graph comparing the lengths of different rivers around the world.

Art
Create a detailed, coloured piece of artwork of Tutankhamun's death mask, paying close attention to the symmetry and symbols.

English
Write a fact-file of information about the River Nile. Include facts about the importance and relevance of the Nile, and use river vocabulary that we learned last half term.

DT
After the amazing success of your Brazilian food, research and cook an Egyptian recipe. You could bring this in (with a list of ingredients) for us to share during our homework exhibition. I can't wait!
