Spring 1 Homework: The Amazon

This half term, homework is all linked to our theme of 'The Amazon'. When children have completed a piece of homework, it can be brought into school or emailed. All children should complete **at least two.** We will celebrate all homework in the last week of term with an exhibition and hot chocolate! Maths and SPAG will continue to be set once a week and children should read every day. Spellings are listed on the class page of the website and need to be regularly practised at home. We will also be practising them at school.

Many thanks, Ms Lowe and Mrs Watson

Geography

Plan an exciting school trip to Manaus in the heart of the Brazilian rainforest. How will we get there? How long will it take? How far is it?What do we need to take with us?

Geography and English

Once we have arrived in Manaus, what should we do? Plan an itinerary of activities with must-see landmarks, museums, tourist attractions and food to eat!

PE

Brazilians are passionate about football. Research the history of the game in Brazil; the famous players and teams, and present your findings to the class in a power-point or information text.

PSHE and Art

Deforestation is a major issue for the Amazon rainforest. Find out how much rainforest has been destroyed and what can be done to protect the forest for the future. Produce a collage showing the beauty and importance of the rainforest.

DT

Research and prepare traditional Brazilian food, such as feijoada or cheese balls (pão de quijo)

RE

Today, the Amazon rainforest faces many challenges. Research the issues and problems facing the people and creatures who live there and write a prayer to ask for help and guidance.
