Summer 1 Topic Homework

Dear Year 5,

Welcome back to school! We have already arrived at the Summer Term. This term we are learning all about the Tudors. As always, you need to complete at least two pieces and bring them into school by the last week of the half term so that you can participate in our homework exhibition and be rewarded with a hot chocolate (and maybe even some squirty cream!) Your homework must be completed to a high standard and you need to make sure that maths and SPAG homework is also regularly completed. Don't forget to practise your spellings and talk to parents about the techniques you have learned at school. You must read you book as often as you can (ideally every day) and record your reading in your diary. If you are not reading regularly at home, you will need to catch up with reading practise during breaktimes or lunchtimes.
