Autumn 2 Topic Homework

This half term, homework is all linked to our theme of *The Great War.* Children must complete **at least two pieces to a high standard** and bring them into school to share with the other children. We will hold an exhibition of homework in the last week of the half term.

Many thanks,

Ms Lowe and Mrs Watson

Maths

In class, we will study the impact of technology on the Great War. Research significant technological inventions during the 20th Century and place these on a timeline of your own design. You will need to think about scale and intervals. You could do a potty timeline (with toilet roll), a digital or hand-draw timeline.

History

In class, we will explore the impact of technology during the Great War. Talk to the oldest person in your family and find out about how technology has changed during their lifetime, and the impact that this change has had. Plan out your questions before you begin and think about what you already know about the 20th Century. Interview your relative and record your findings so you can share them with members of our class. Remember, this is **your** family history and an important future record!

Geography

Using this mapping tool, search for the graves of soldiers who are buried locally. https://astreetnearyou.org/#=undefined&lat=10&lon=0&zoom=2. You could use your own postcode or the school's; PR2 5JB. Learn about the lives and the service of the soldiers. Share the stories you find out about by writing, drawing or making a video. Include information about the soldier's life and his service.

RE and PSHE

Think about the impact that the Great War had on Britain and the wider world. Consider how the world was changed by this terrible war. Talk to an adult about your feelings and spend some time thinking about why peace is so important and why we should work towards building connections with other countries. Write a prayer, draw a picture or write a diary entry that expresses how you feel.

English

Find out what life was like on the Home Front during the Great War. Write an explanation text. Could you focus on the impact on children? Think about useful features such as text boxes, sub-headings and images.

Art

On November 11th, we remember Armistice Day- the end of the First World War. Paint poppies using this tutorial https://www.youtube.com/watch?v=EkSBztJ_bMQ or choose to paint poppies in any way you prefer.
