# Summer 2 Homework

This half term the homework will be different to usual. Every pupil **must** create a scrapbook and complete **at least two** of the other homework choices listed below. These should be brought into school by the final week of half term, to be presented to the class during our 'showing off' afternoon. Make sure you organise your time carefully and do not leave this task until the last moment.

Children are also required to **read daily**, and this should be recorded in home-school diaries with an adult signature. **Mathletics and SPAG tasks are set weekly** and children should regularly practise **spellings** at home, to support the learning and testing which happens in school.

Many thanks for your continued hard work,

Ms. Lowe, Mrs. Simpson and Mr. Flannigan

## Create a scrapbook of a current event

With so many exciting events on the horizon, UKS2 children are being given the opportunity the scrapbook one of the following current events:

- The general election
- The Men's Euros
- The Olympics

The scrapbook should be well researched, colourful, detailed and engaging. Children should work hard to find out all about their chosen event (past and present) and fill it with knowledge, facts and opinions. Alongside writing (typed or hand-written), children may also choose to draw, add clippings from newspapers or online articles (which could be commented on), create tables or graphs, or conduct interviews. The scrapbook should have a front-cover and be a comprehensive account of the chosen event. **It should have a minimum of five pages** and be neat with accurate spellings and best handwriting.

## Art

Think back on all the amazing learning and events from your time in Year 5. Which was your favourite? Create a piece of artwork of this memory to share with the class. What techniques or media could you use? Can you impress Miss. Heath with your art skills?

## PSHE

Very soon, our time together in Year 5 will come to an end and you will move on to Year 6. With that in mind, what advice would you give to a Year 4 child moving up into Year 5, and what would you like to tell them to look forward to? Write an A4 page survival guide for children looking ahead to Year 5.

## RE

We have had a wonderful, exciting and eventful year together. Your teachers are so proud of everything you have achieved. Talk to a trusted adult and reflect on all the hard work and fun, learning and laughter from this year.
Write a poem or a prayer to say thank you, and which captures your experiences of Year 5.

## Spanish

Throughout the summer months in Spain, local people will be celebrating festivals including La Tomatina, in Buñol, and Sant Joan in Catalonia. Choose a festival that you would like to know more about and research it. On A4 paper, produce an information text all about what you have learned. Decorate it with images and colour.
